SUMMARY

SISTEMA CABINE

WALK-IN WARDROBE SYSTEM

Organizzare una cabina armadio è un'ottima soluzione per tenere tutto perfettamente in ordine in un'unica stanza dedicata, agevolando e facilitando così la scelta degli outfit di tutti i giorni e i cambi di stagione. Tomasella propone tre diverse tipologie di cabine armadio, in cui la struttura cambia per adattarsi a spazi, architetture ed esigenze estetiche diverse ma rimangono invariate le ampie possibilità di personalizzazione e l'estrema funzionalità di ogni sistema.

Organising a walk-in wardrobe is a great way to keep everything perfectly tidy in one dedicated room, making it easier and more convenient to choose everyday outfits as the seasons change. Tomasella offers three different types of walk-in wardrobes, in which the structure changes to adapt to different spaces, architectural features and aesthetic requirements. However, the extensive options for customisation and extreme functionality of each system remain unchanged.

PRATICO SYSTEM PAG. 04

DOXA SYSTEM PAG. 46

LIBERTY SYSTEM PAG. 76

PRATICO SYSTEM

Pratico è una cabina armadio composta da boiserie personalizzabili in diverse finiture o grafiche stampate, sulle quali vengono posizionati a piacere diverse soluzioni di attrezzature: cassettiere sospese o a terra, ripiani con Led o accessori estraibili.

Pratico is a walk-in wardrobe consisting of wall panelling, which can be customised in different finishes or in printed graphics. Various internal fittings can be placed as required: wall-hung or floor-standing drawer units, shelves with LED lights or pull-out accessories.

Staffe e accessori in metallo antracite.

Textured alpaca wall panelling.
Fittings in textured amber walnut, matt
ruby red 172 and peach 157 lacquer.
Anthracite metal brackets and accessories.

PRATICO COMP_PR101
L /W 247,3 P/D 34,8/59,6 H 255,8 CM

Boiserie materico alpaca.
Attrezzature materico noce ambra, laccato
opaco rubino 172.
Staffe e accessori in metallo antracite.

Textured alpaca wall panelling.
Fittings in textured qmber walnut, matt
ruby red 172.
Anthracite metal brackets and accessories.

La funzionalità di Pratico può essere completata con la cassetiera bicolore Replay che, oltre al contenimento, aggiunge stile alla cabina armadio grazie ai possibili accostamenti cromatici. Il top è rifinito in laccato opaco rubino 172, per dare un ulteriore tocco personalizzato.

The functionality of Pratico can be complemented with the Replay two-tone drawer unit, which not only provides storage space but also enhances the style of the walk-in wardrobe thanks to the colour combinations available. The top is finished with matt ruby red 172, giving it an extra personal touch.

Al centro della stanza e dell'attenzione, l'isola attrezzata in laccato rubino 172 e materico noce ambra crea la tua personale oasi di funzionalità e contenimento: cassetti, vani a giorno e piani di appoggio su entrambi i lati permettono di organizzare tutto al meglio. La cabina armadio è come una vera boutique, dove scegliere ogni giorno gli abiti da indossare e gli accessori da abbinare.

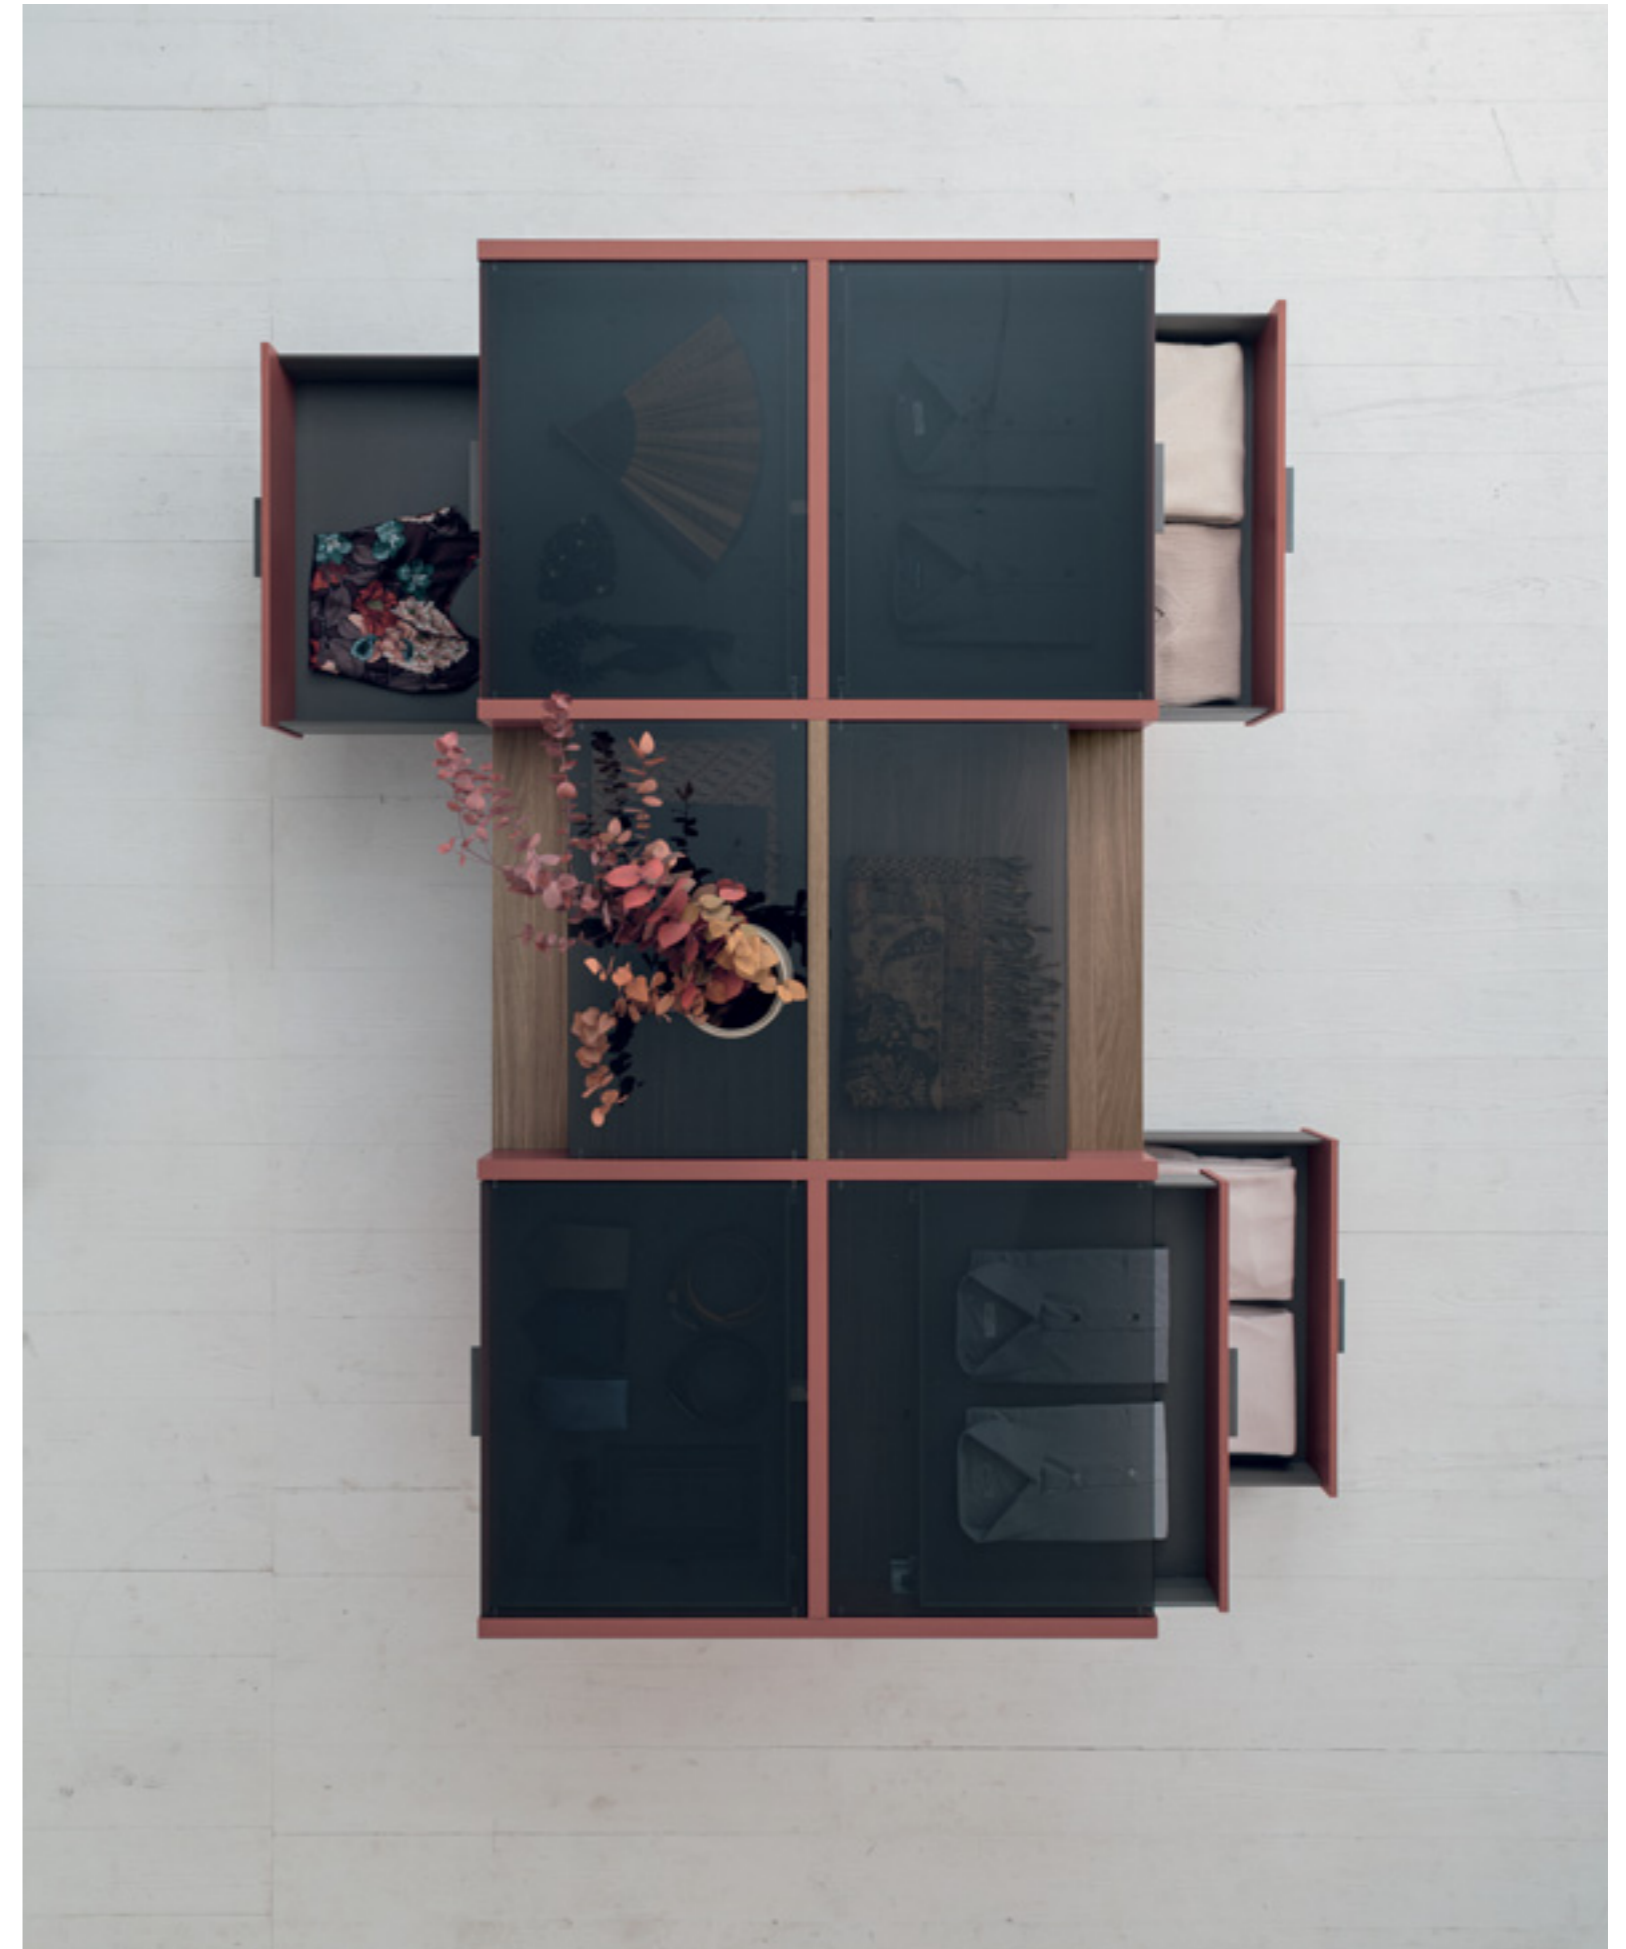

The centrepiece of the room is an accessorised island drawer unit in ruby 172 lacquer, whereas textured amber walnut creates your personal haven of functionality and storage: drawers, open compartments and shelves on both sides let you organise everything in the best possible way. The walk-in wardrobe is like a genuine boutique, where, every day, you can choose the clothes you want to wear and accessories to match.

Il top della cassettera isola in vetro fumè crea un ricercato effetto vedo-non vedo che permette di esporre accessori e altri oggetti senza metterli troppo in mostra. Una soluzione perfetta per tenere a vista le cose che si utilizzano di più e un dettaglio raffinato per completare lo stile dell'arredo.

The smoked glass top of the island drawer unit creates a sophisticated see-through effect, allowing accessories and other items to be displayed without making them too conspicuous. A perfect solution for keeping the things you use most in view and a refined detail for complementing the style of your furniture.

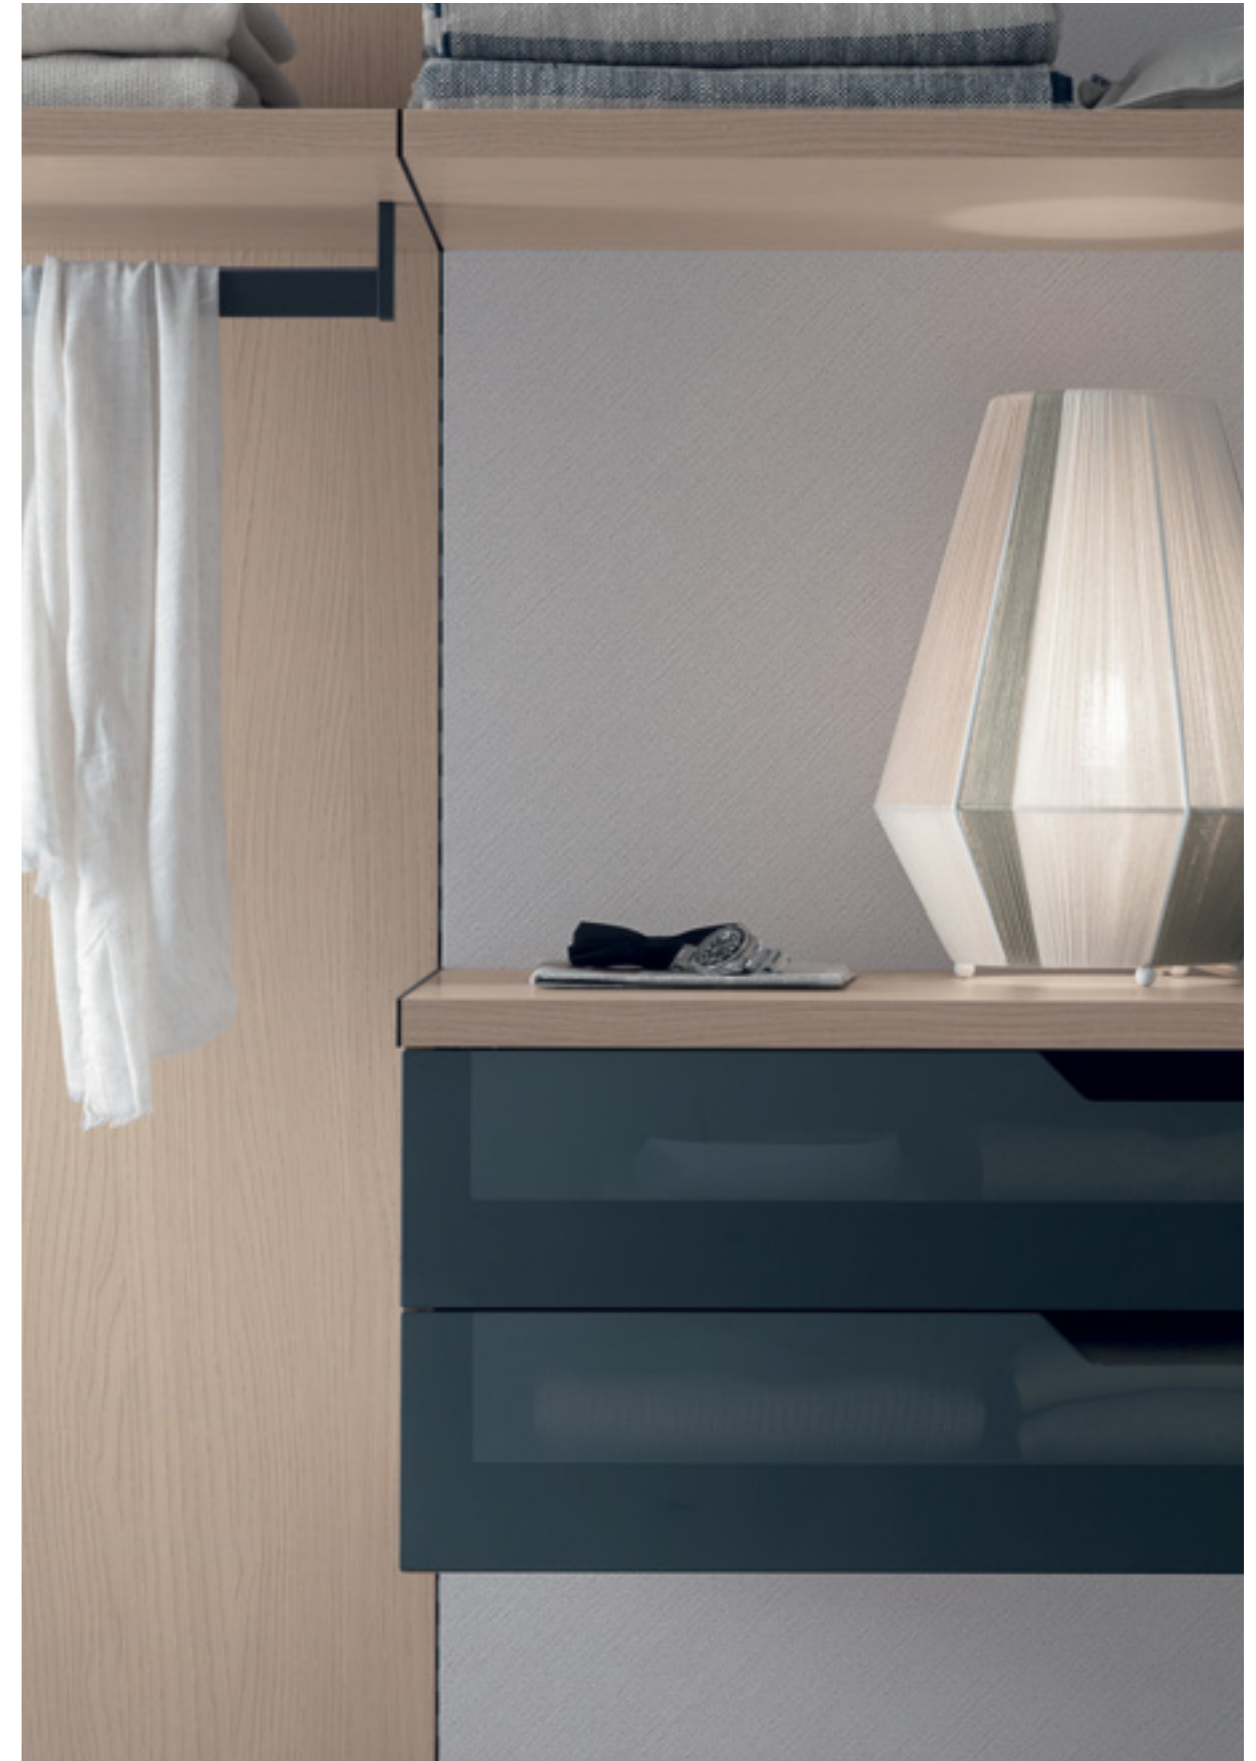

La cabina armadio è composta da attrezzature che aiutano a tenere in ordine e ad ottimizzare lo spazio. Contrariamente ad un armadio tradizionale, qui tutto è a vista quindi, oltre alla funzionalità, anche l'estetica vuole la sua parte: la cassetteria con frontali in vetro fumè alleggerisce l'arredo con stile.

The walk-in wardrobe consists of internal fittings that help to keep things tidy and optimise space. Unlike a traditional wardrobe, everything here is visible, therefore alongside functionality, aesthetic appeal also plays a role: the drawer unit with smoked glass fronts gives the furniture a lighter stylish look.

Pratico permette di progettare soluzioni angolari che sfruttano tutto lo spazio a disposizione e, allo stesso tempo, hanno una grande resa estetica. La boiserie chiara in materico canvas da un lato, e in materico opaco basalto dall'altro, differenziano le zone della cabina e creano un piacevole gioco di contrasti cromatici.

Pratico lets you design corner solutions that maximise the available space while adding great aesthetic appeal. Light-coloured canvas wall panelling on one side, and textured matt basalt back panels on the other, differentiate the areas of the walk-in wardrobe, creating an attractive interplay of colours.

La cabina può essere attrezzata a seconda delle esigenze personali di ordine e organizzazione con una serie di accessori. Cassettiere e ripiani in materico rovere carbone si abbinano a ripiani estraibili in metallo antracite per dare all'intera struttura un look ricercato dalle tonalità scure.

The walk-in wardrobe can be fitted with a range of accessories for tidiness and organisation depending on personal needs. Textured coal oak drawer units and shelves are combined with anthracite metal pull-out shelves, giving the entire structure a sophisticated look in dark shades.

PRATICO SYSTEM + GRAPHIC

La boiserie Pratico può essere personalizzata con diverse grafiche stampate: da funzionale, la cabina armadio diventa anche estremamente decorativa. Puoi creare il tuo stile non solo scegliendo l'outfit da indossare ogni giorno, ma anche scegliendo lo sfondo della cabina armadio.

Pratico wall panelling can be customised with various printed graphics: the functional walk-in wardrobe also becomes extremely decorative. You can create your own style not only by choosing the outfit to wear every day, but also by choosing the background of the walk-in wardrobe.

Foglie, fiori, nuvole e paesaggi fanno da sfondo agli abiti e diventano come una carta da parati sulla parete. Scegli la scenografia che meglio ti rappresenta, lasciati conquistare dalle sue suggestioni visive e crea il tuo habitat ideale da vivere ogni giorno.

Leaves, flowers, clouds and landscapes create a backdrop for clothes and : look like wallpaper on the wall. Choose the background that best represents you, be captivated by its visual appeal and create your ideal habitat to live in every day.

PRATICO SYSTEM ATTREZZATURE

Pratico System - Internal fittings

Per essere funzionale, facile da tenere in ordine e ordinata alla vista, la cabina armadio deve essere configurata in modo da soddisfare tutte le esigenze. Cassettiere a terra o sospese, ripiani fissi o estraibili dotati di vari accessori, raster e altre attrezzature utili sono fondamentali per organizzare al meglio il contenuto.

To be functional, easy to keep tidy and visually neat, a walk-in wardrobe needs to be configured to meet all requirements. Floor-standing or wall-hung drawer units, fixed or pull-out shelves with various accessories, shelving units and other useful internal fittings are essential for organising contents as efficiently as possible.

DOXA SYSTEM

Doxa è una cabina armadio composta da moduli a giorno, fianchi e divisori tra i quali è possibile inserire cassetti, ripiani, accessori e attrezzature. Il suo carattere distintivo è il fianco con profondità ridotta che non copre tutta la profondità della cabina e la rende visivamente leggera.

Doxa is a walk-in wardrobe consisting of open modules, side panels and partitions, between which drawers, shelves, accessories and internal fittings can be inserted. Its distinctive feature is the reduced depth of side panels, which do not cover the entire depth of the walk-in wardrobe, thus making it visually light.

Textured coal oak open modules.
Textured coal oak, matt onyx 167
and myrtle 165 lacquered fittings.
Anthracite metal accessories.

Doxa è disponibile con base sporgente o a filo di fianchi e divisori: nel primo caso si amplia la superficie utile per appoggiare le cassettiere, nel secondo caso si creano vani a giorno e si riduce l'ingombro, aspetto da considerare se la cabina è posizionata in una zona di passaggio.

Doxa is available with a base that is projecting or flush with side panels and partitions: the former has a larger surface area for placing drawers, whereas the latter allows open compartments to be created and reduces overall dimensions. This aspect should be considered if the walk-in wardrobe is situated where you pass by.

DOXA SYSTEM ATTREZZATURE

Doxa System - Internal fittings

In una cabina armadio stile e funzionalità devono andare di pari passo. Per questo è possibile attrezzare lo spazio con cassettiere a terra o sospese, ripiani fissi o estraibili dotati di vari accessori, raster e altre attrezzature che, oltre a organizzare abiti e accessori, valorizzano l'estetica di ogni configurazione.

In a walk-in wardrobe, style and functionality must go hand in hand. The space can therefore be fitted with floor-standing or wall-hung drawers, fixed or pull-out shelves with various accessories, racks and other internal fittings, which not only organise clothes and accessories but also enhance the aesthetic look of each layout.

LIBERTY SYSTEM

Liberty è una cabina armadio formata da telai in metallo fissati a parete e a soffitto, soluzione ideale anche per mansarde. La struttura è predisposta per accogliere cassetti, ripiani, accessori e attrezzature da posizionare e abbinare in totale libertà.

Liberty is a walk-in wardrobe comprising metal frames fixed to the wall and ceiling, an ideal solution also for attic rooms. The structure is designed to house drawers, shelves, accessories and internal fittings, which can be positioned and combined as you please.

I telai di Liberty sono disponibili in due colorazioni, gris e antracite, che si abbinano ad una serie di elementi, come cassettiere e ripiani, in diverse finiture e colori per arredare lo spazio con configurazioni personalizzate e combinazioni cromatiche originali.

Liberty frames are available in two colours, gris and anthracite. They can be combined with a range of elements, such as drawer units and shelves in various finishes and colours for furnishing the space with customised layouts and original colour combinations.

Armadio battente anta Doris.
Finitura e struttura materico alpaca.
Maniglia integrata metallo antracite.

Wardrobe with hinged Doris doors.
Textured alpaca structure.
Anthracite metal integrated handle.

LIBERTY COMP_LI302
L /W 249.5/291.8 P/D 59,5 H 255 CM
(escluso armadio / excluding the wardrobe)

Telai metallo antracite. Attrezzature materico alpaca, cassettiere laccato opaco antracite 160 con frontali in vetro.

Anthracite metal frame. Textured alpaca fittings, matt anthracite 160 drawer units with glass fronts.

Liberty può essere affiancata ad armadi per creare composizioni sia aperte che chiuse. Dal punto di vista pratico, la soluzione mista permette di soddisfare tutte le esigenze di contenimento. È possibile coordinare le finiture della cabina armadio e dell'armadiatura in modo da ottenere un'armonia cromatica.

Liberty can be combined with wardrobes to create open and closed arrangements. In practical terms, the combined solution meets all storage needs. The finishes of the walk-in wardrobe and its internal fittings can be coordinated to achieve a harmonious colour scheme.

La luce a led opzionale integrata a tutta altezza sui telai e il frontale in vetro dei cassetti alleggeriscono ulteriormente la struttura. Il minimalismo di Liberty è perfetto per chi cerca una soluzione "leggera" dal punto di vista estetico che, allo stesso tempo, sia estremamente funzionale e adattabile.

The optional full-height built-in LED light on the frames and the glass front of the drawers make the structure look even lighter. The minimalist appeal of Liberty is perfect for those looking for an aesthetically "light" solution that is also extremely functional and adaptable.

Grazie alla sua versatilità, Liberty arreda architetture particolari, come sottotetti e mansarde, con un'installazione cielo-terra dei montanti. In questo modo è possibile creare una cabina armadio su misura sfruttando tutto lo spazio utile e personalizzando la struttura anche in altezza.

With its versatility, Liberty furnishes particular architectural spaces, such as attics and lofts, with the installation of floor-to-ceiling uprights. A tailor-made walk-in wardrobe can therefore be created by exploiting all useful space and customising the structure, also in height.

LIBERTY SYSTEM ATTREZZATURE

Liberty System - Internal fittings

Cassettiere con gola o in vetro, ripiani fissi o estraibili dotati di vari accessori e luci a led integrate al montante completano la funzionalità della cabina armadio. Cappotti e abiti lunghi possono essere appesi senza stropicciarsi sul fondo, mentre camicie, pantaloni, scarpe e accessori trovano facilmente spazio e posto grazie alle attrezzature disponibili.

Drawer units with grip recesses or in glass fronts, fixed or pull-out shelves with various accessories and LED lights built into the upright complement the functionality of the walk-in wardrobe. Coats and maxi dresses can be hung without creasing at the bottom, whereas shirts, trousers, shoes and accessories can be stored easily in the wardrobe thanks to its internal fittings.

01_ APERTURA A LIBRO

Folding doors

L'apertura pieghevole a libro è una pratica soluzione salvaspazio, adatta anche alle metrature contenute: le ante si ripiegano su se stesse e scorrono lateralmente lungo il binario superiore, minimizzando l'ingombro. Il profilo in alluminio brown delle ante può essere personalizzato vetri bronzo o fumè, disponibili anche nella loro versione satinata.

Folding doors are a practical, space-saving solution, also for limited spaces: the doors fold in on themselves and slide sideways along the upper track, minimising overall dimensions. The brown aluminium frame of the doors can be customised with bronze or smoked glass panels, also available in a satin finish.

LETTI E CONTENITORI ELEGANT MOOD

Elegant mood _ beds and bedroom furniture

Venature intense, effetti materici e tonalità rilassanti si posano sulla notte e la caratterizzano con contrasti decisi e allo stesso tempo armoniosi. La camera da letto diventa un luogo intimo e personale nel quale dormire sonni tranquilli, ma anche trovare spazi tutti per sé.

Striking grains, textured effects and relaxing shades dominate the sleeping area, offering bold yet harmonious contrasts. The bedroom becomes an intimate and personal place, where you can sleep peacefully, but also find spaces all for yourself.

ARGO DAFNE

Oltre al comò a tre cassetti, comodini e al settimanale la collezione Argo ha inedite configurazioni: Il comodino è disponibile nella versione large e il comò con il top scorrevole che diventa un funzionale scrittoio. I contenitori notte Argo sono disponibili con top spessore 6 o 2 cm. Dafne è il letto dalla personalità sofisticata con l'imbottitura capitonné.

In addition to the 3-drawer chest-of-drawers, bedside units and the narrow chest, the Argo collection offers new layouts: The bedside unit is available in a large version and the chest of drawers has a sliding top that becomes a writing desk. Argo storage units for the sleeping area are available with 6 or 2 cm thick tops. Dafne is the bed with a sophisticated personality, with upholstery in capitonné quilting.

Il comò Argo ha un piano che scorre agevolmente sul top per creare all'interno della camera da letto un pratico angolo home office o una stilosa postazione make up. Il piano può essere personalizzato con una finitura diversa dal contenitore per accentuare ulteriormente la sua presenza.

The Argo chest of drawers has a top that easily slides over the surface below to create a practical home office corner or a stylish make-up table in the bedroom. The top can be customised with a different finish from the chest of drawers to further enhance its appearance.

HASHTAG

HALIFAX

Più di un letto, Halifax è un vero e proprio elemento d'arredo: la testiera è formata da pannellature con e senza imbottitura, che permettono di personalizzarlo con più finiture e colori. È perfetto abbinato allo stile geometrico, moderno e giovane del comodino Hashtag.

More than a bed, Halifax is a genuine furnishing element: the headboard consists of panels, with and without upholstery, allowing it to be customised with various finishes and colours. It is perfect combined with the geometric, modern and young style of the Hashtag bedside table.

Il letto Halifax con il comodino Hashtag: una combinazione originale di forme, elementi e finiture che arreda una camera da letto di design. Le combinazioni cromatiche tra materico alpaca e materico carbone creano uno stile armonioso.

The Halifax bed with the Hashtag bedside unit: an original combination of shapes, elements and finishes for furnishing a stylish bedroom. The colour combinations of textured alpaca and textured coal create a harmonious style.

Letti e contenitori

MARLENA DOLCEVITA

Il letto Marlena ha una testiera imbottita decorata con particolari cuciture verticali, che lo rendono molto elegante. Il giroletto riprende le forme arrotondate, la finitura legno rovere moka e il basamento con piedini del comodino Dolcevita per arredare una notte dall'atmosfera raffinata.

The Marlena bed has an upholstered headboard decorated with special vertical seams for a highly elegant look. The bed frame also features rounded shapes, whereas the Mocha Oak wood finish and the base and feet of the Dolcevita bedside unit give the sleeping area a refined atmosphere.

LETTI E CONTENITORI LIVELY MOOD

Lively mood _ beds and bedroom furniture

Venature delicate e naturali incontrano tonalità calde e vivaci per rivestire una notte moderna, giovane e accattivante.

La camera diventa uno spazio vitale in cui i sogni sono a colori e, oltre al meritato riposo, si legge o si guarda la tv comodamente distesi a letto, accolti dalla morbidezza dei tessuti.

Delicate, natural grains blend with warm, vibrant shades to furnish a modern, young and attractive sleeping area. The bedroom becomes a vital space for colourful dreams. Here, you can have a well-deserved rest, read or watch TV comfortably lying in bed, embraced by soft fabrics.

SIR FUSION

Il letto Fusion è, di nome e di fatto, una totale fusione di elementi: testiera, giroletto e comodino formano un tutt'uno di grande presenza scenica. Le spiccate geometrie e la finitura in materico noce ambra tornano nel comò Sir e la notte è estremamente coordinata.

The Fusion bed is, in name and in essence, a total fusion of elements: a headboard, bed frame and bedside unit create a spectacular overall effect. The striking shapes and amber walnut textured finish are echoed in the Sir chest of drawers, making the sleeping area extremely coordinated.

FUSION letto / bed
Struttura e comodino integrato
materico noce ambra e
testiera cat. C allure unito 03.
Structure and integrated bedside
table in textured amber walnut with
a Cat. C allure unito 03 headboard.

SIR
contenitore / unit
Materico noce ambra.
Textured amber walnut.

Nel comò Sir, il top a vassoio è un dettaglio di stile e un originale piano d'appoggio. La finitura in materico noce ambrata ammorbidisce le linee moderne e minimaliste degli arredi: nel suo insieme, la camera da letto è essenziale nella forma e naturale nella sostanza.

The tray-top of the Sir chest of drawers is both a stylish detail and an original set-down surface. The amber walnut textured finish softens the modern, minimalist lines of the furniture: the bedroom is, overall, essential in shape and natural in substance.

PIUMA REPLAY

La testiera del letto Piuma è formata da due morbidi cuscini estremamente confortevoli. Il suo carattere soft è contrastato dalle linee geometriche e dagli originali accostamenti cromatici della coppia di comodini Replay per una notte dalla marcata personalità.

The headboard of the Piuma bed consists of two soft, extremely comfortable cushions. Its soft character contrasts with the geometric lines and original colour combinations of the pair of Replay bedside units, resulting in a sleeping area with a distinctive personality.

I moduli del gruppo Replay possono essere sovrapposti e affiancati per creare combinazioni inedite e personali, valorizzate da abbinamenti di colori e materiali.

The modules of the Replay model can be stacked and fitted side-by-side to create unusual, personal combinations, enhanced by matching colours and materials.

NIKKY

La caratteristica principale del letto Nikki è data dalla presenza di cuscini con diverse configurazioni che fungono da testiera e sono perfettamente integrati a quest'ultima. Grazie alle diverse combinazioni possibili di finiture e tessuti, il letto interpreta i diversi stili abitativi e le diverse personalità di chi lo sceglie.

The main feature of the Nikki bed is its cushions in different shapes that comprise the headboard and are perfectly integrated with it. Thanks to various combinations of finishes and fabrics, the bed reflects the different living styles and personalities of those who choose it.

NIKKY letto / bed
Struttura materico rovere sabbia, cuscini cat. B ecopelle vintage 1008, cat. B ecopelle vintage 107 e cat. C allure unito 01.
Structure in textured sand oak, cushions in cat. B vintage 1008 eco-leather, cat. B vintage 107 eco-leather and cat. C allure unito 01.

FORTEBRACCIO libreria / bookcase
Struttura laccato opaco bianco gesso 121, mensole materico rovere Sabbia.
Matt chalk white 121 lacquered structure, textured sand oak shelves.

Nikki unisce il rigore della struttura alla morbidezza della testiera per arredare una camera in cui comfort e stile convivono in perfetta armonia.

Nikki combines the rigorous appeal of the structure with the softness of the headboard to furnish a bedroom where comfort and style are in perfect harmony.
